

Coming Soon to Summerdale for Our Special Needs Residents and Guests

The Gulf Shores and Orange Beach Lions Clubs are working together to build a park with a baseball field and playground facility designed to eliminate the barriers that prevent our special needs residents and guests from playing side by side with family and friends. A park that accommodates wheelchairs, walkers and other assistive devices while helping to prevent injuries. A park that provides an atmosphere where EVERYONE plays together.

With Your Help We Can All Make “Dreams Come True”

A Legacy Project of the Gulf Shores and Orange Beach Lions Clubs
